

Discussion Questions for "Leia and Han's Motivation"

1. In your own words, explain Compensating Wage Differential, shown in this clip:
2. Why does Han wish to be paid well for the mission with Princess Leia relative to other, and easier, missions he has done in the past?
3. Discuss the difference in the motivations of both Leia and Han. How does understanding the different motivations help us understand the compensation required?
4. Provide an example of Compensating Wage Differential in the real world:
