

Discussion Questions for "R2-D2 and C-3PO Use an Escape Pod"

1. In your own words, explain a Cost-Benefit-Analysis shown in this clip:
2. What is the cost of the Empire shooting down the pod; what is the benefit of them shooting it down?
3. In the end, why did they choose to not shoot the pod (using cost/benefit rationale)?
4. Provide an example of Cost-Benefit-Analysis in the real world:
